Sir:

This responds to the Office Action dated October 4, 2002. Please enter the following amendments:

In the Claims

Cancel Claims 1-5 without prejudice.

Please amend Claims 52 and 53 and add new Claims 56-59 as follows:

(Amended) An apparatus for disabling a telephone ringer comprising: 52.

a recording device operable with a telephone to play back an instruction

recording to a calling party, the recording prompting the calling party to provide

designated signal that the calling party's call is a priority call; and

a controller communicating with said recording device, said controller

being operable
